Your Surrey Police Safer Neighbourhood Policing Team is running extra patrols over the Halloween and Bonfire Night period. Here are some tips to help keep you safe:

- Display this 'No trick or treat' notice by your front door or window if you do not want to be disturbed.
- Do not open your door to trick or treaters if you feel anxious or worried.
- Use a door chain if you decide to open the door.
- Keep the number of a relative or good neighbour handy.
- If there is a problem or incident outside your house call Surrey Police on **101**.
In an emergency always dial **999**.
